WORK EXPERIENCE

Remotasks September 2020 September 2024

Remotasks Data annotator & Data Entry

- Completed tasks like data entry and annotation while maintaining a high level of quality and result. Working on projects requiring the annotation of text and images helped to develop a great awareness of attention to detail and quality assurance, ensuring the accuracy of data sets used in analysis and assisting in the building of machine learning models.

Service Crew - Jollibee December 2025 – June 9 2026

- Worked as a Fryman in the kitchen, preparing fried products according to company standards while ensuring food quality, safety, and consistency. Assisted customers in a fast-paced environment and supported daily operations to maintain efficient service. Maintained cleanliness and organization in the workplace while collaborating with team members, developing strong communication, teamwork, adaptability, and time-management skills
